PROFIT WARNING

This announcement is made by Leoch International Technology Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Based on the preliminary review on the unaudited consolidated management accounts of the Group and other information currently available, the board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (“**Shareholders**”) and potential investors that, for the six months ended 30 June 2025 (the “**Period**”), although the Group is expected to record a year-on-year increase in revenue of approximately 10% to 20%, the profit attributable to the owners of the parent for the Period is expected to decrease by approximately 60% to 80%, as compared to the corresponding period ended 30 June 2024, which is mainly due to the following reasons:

- (i) in the second quarter of 2025, the additional import tariffs imposed by the US government on goods from around the world led to a significant increase in the costs of some of the products that the Group had already paid taxes on and delivered. However, the selling price of these affected products is not increased until the end of 2025 due to the marketing strategy of the Group; and

- (ii) due to the impact of the supply chain and construction progress, the production commencement time of the factory in Mexico has been postponed from the second quarter of 2025 to the fourth quarter of 2025.

The Company is still in the process of finalizing the results of the Group for the Period. The information contained in this announcement is only a preliminary assessment by the management of the Group based on the financial statements of the Group for the Period and the information currently available to the Group, which have not been reviewed by the Company's auditors nor were they reviewed by the audit committee of the Company. Shareholders and potential investors are advised to read carefully the interim results announcement of the Group for the Period, which is expected to be released on or before 31 August 2025.
